

A straightforward approach to
print that cuts-out complexity
and inaccuracy

Put simply,
we make
it easy

As print experts we know what's important

- Accuracy and reliability are vital
- Flexibility to meet inconceivable time-frames is crucial
- Compliance with brand regulations is critical
- Working within budgets is fundamental
- For us, delivering this constantly is absolutely essential

Regardless of the size or type of job, we are a true single-source solution for all your print requirements. We have the skills and knowledge to meet your needs and the processes in place to ensure a perfect result every time.

Because our customers trust us we build long-term partnerships with them

Service

tion's ability to

id be

A cost effective solution

Through utilising our unique team, along with our extensive knowledge and services, our goals are to eliminate your day to day involvement in print and for you to benefit from increased productivity, economies of scale, project management and logistic efficiency.

Know-how

We're much more than a printer.
We've developed a full suite of
services, from design to distribution,
saving you the hassle of managing
multiple suppliers.

Included in our comprehensive service...

- Studio services and access to our bank of designers
- An online proofing system to accelerate the approval process
- First-class logistics handling all requirements, from simple stock management to distribution
- A high calibre team of individuals with specialist knowledge, who know how to get things done on time and within your budgets
- 20,000 sq feet of warehousing for storage and stock-holding of essential print
- An extensive delivery network ensuring we don't miss your deadlines

Print management at your fingertips

**Our online tools help you to stay in control.
With just a simple click...**

- Order pre-approved print materials
- Give users access to templates with dynamic content like business cards
- Follow our strict approval procedure
- Bring your brand to life; from shot glasses to rubber ducks there's countless ways to present your organisations image. Browse our database using our sophisticated search facility and quickly pinpoint what's right for you.

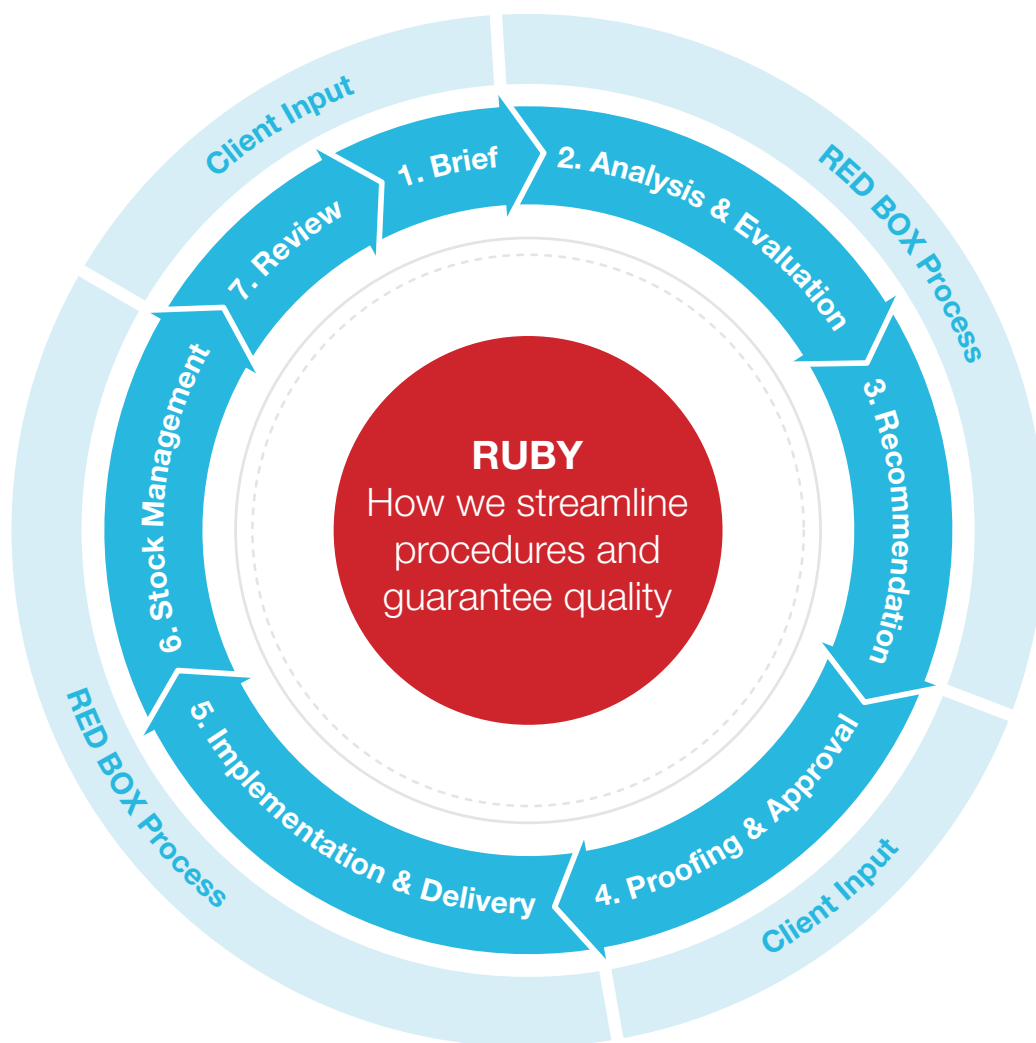

Ease

Quality

No matter what the job is, our dedication to quality and accuracy is guaranteed using RUBY - our sophisticated Quality Management process.

Certified to ISO 9001 standard, RUBY enables us to manage and meet your print requirements with minimal effort and input from you and at no extra cost.

RUBY works away in the background leaving you free to focus on what's critical

We work with a network of reputable and approved suppliers to bring you market leading quality.

RED BOX delivers the best quality at the best price

Depth and breadth of sourcing is at the heart of what we do and our friendly, professional approach has rewarded us with an exceptional list of suppliers. With the right contacts on our side we're able to deliver the right solution for the right price.

If meeting environmental targets is important to you, as it is to us, you'll be pleased to know our suppliers share similar beliefs. Together we measure and monitor our environmental impact and actively encourage the use of sustainable methods and materials including accredited papers and vegetable soy inks.

We work in partnership with our suppliers to provide and support...

We are certified to ISO 14001 standard.

Our values

What makes us different?

Our dedication to quality. Whether we manage all or just a part of your print, our core values stay the same to maintain our service quality.

We're resourceful

Because no two print jobs are the same, our team is used to handling different situations and challenges on a daily, even hourly basis, and work in partnership with you and our suppliers to provide the best possible solution to meet your requirements.

We're honest

Which can sometimes mean saying no, or admitting when we've made a mistake but doing everything in our power to put it right.

We're friends with everyone

In contrast to a printer, we have lots of relationships with lots of suppliers and manufacturers to provide solutions and objective advice on all situations.

We're responsible

ISO 9001 and 14001 accredited, you can be sure of our commitment to quality and the environment.

Our enthusiasm is infectious

With over 2000 customers and 98% of them recommending us, what are you waiting for?

**Our customers love our small business mentality,
even the large multinational ones**

How to get started

Look no further, contact us today to see how we can help you with your print requirements.
